

NEWSLETTER NO. 14

Dear Parents

Congratulations to the SACS Big Band for qualifying for the final round of the Band Slam at the Victoria and Alfred Waterfront at the end of last term. The band excelled with a stirring performance and were proud ambassadors for SACS.

MOUNTAIN BIKING

Congratulations to Luke Moir who finished third in the British Cross Country Series in Wales, first in the fourth round of the International Italian Mountain Bike Series in Nals (Italy) and first in the second round of the South African National Series. This places Luke in a strong leading position for the South African National Mountain Bike Series, with two legs in Bloemfontein and Durban remaining. We wish him all the best for the upcoming series.
