SCHOOL MAGAZINE: Request to parents and a call to submit advertisements

If there are photographs taken and emailed to the school, please make sure they are not altered in size, and rather sent 'raw' so we can maintain good quality photographs. If possible, also indicate whether they have been taken with a mobile phone or a 'proper' camera. Should parents want credit for the photographs, this should be made clear to the school too. If you would like to advertise in the school magazine, please contact Graeme Wepener (wepenerg@saccollege.org.za) who will provide you with the relevant details such as size options and costing.
