Dear Parents

MESSAGE FROM THE HEADMASTER

Dear Parents and Friends of SACS

I would like to express my sincere appreciation for the very warm welcome my family and I have received from the SACS community since our arrival on Monday.

My initial impressions are that of a dynamic, vibrant institution with many committed people dedicated to both the institution and the talented young men under our care. At Assembly on Monday I spoke broadly to the school about some of the old-school values that I hold dear, the need to be united in and to celebrate our diversity, the continued pursuit of academic excellence, the sincere hope that every SACS man finds his niche to develop his own unique talents within our school and our responsibility to our broader community and, ultimately, our country.

I look forward to walking this journey with you and your sons as we go forward together. I am both humbled and proud to have become part of our school.
