HEADMASTER'S INTRODUCTION

The whole mood of the school takes on a different tone during exam time. I trust that things are going well for our young men during this important time.

I had the pleasure of attending an Old Boys function in Hermanus on Wednesday. I was again uplifted by the positive enthusiasm and goodwill shown by these good men toward their old school.

We have had a good year and our school is in a good place. There is much to build on and look forward to in 2019.

We don't foresee technical problems arising with sending out reports this term. However, in the event of such a circumstance, it may be useful to have your username and password handy to access the parent portal.

Please contact Miss Jenkinson at jenkinson@saccollege.org.za if you require your username and password.

The annual SACS versus Wynberg Boys' High School staff match took place on Thursday afternoon last week. Pictured are both teams.
