Dear Parents

### DRONES ON CAMPUS

**No drones are allowed to be flown on campus unless special permission is granted by the Western Cape Education Department.**

### CONCERT BAND

The Concert Band gave a sterling performance at the Band Extravaganza in Stellenbosch on Friday evening. Mr Alexander conducted the band which produced a powerful, polished and sophisticated concert band repertoire. The boys were highly commended on their presentation and thoroughly enjoyed both their visit to Stellenbosch University and playing in the wonderful acoustics of the Endler Hall.

### CHOIR

It was a resounding victory for the SACS Choir on Thursday evening at the Facets Eisteddfod, held at Sans Souci, when the boys won first place with 91%. The adjudicator commented on the excellent conductor, the homogenous sound, the very musical and convincing performance and the pride which the group took in their work.

Congratulations to Mr Patientia and the boys on their well-deserved win.

## LEADERSHIP SEMINAR

The next SACS Leadership Seminar takes place on Wednesday 17 May at 5:30pm in the Library. One of our Old Boys, Kirk Wernars, will be addressing the boys on how determination and passion has affected his life as a former professional cricketer and now as a firefighter for the City of Cape Town.

We are only offering the seminar to Grade 10 and 11 boys to encourage them to think about how to develop themselves as leaders. It is especially important for them to attend if they are considering themselves as a leader at SACS in the future i.e. as a Tutor or School Prefect.

## THIS WEEKEND

We host Paul Roos Gymnasium this weekend. The First Hockey Team play on Friday at 5:00pm (H) and the First Rugby Team on Saturday at 12:30pm on Memorial A Field (H). Best wishes to all teams and may the weekend be most enjoyable.

Yours sincerely
