## NEWSLETTER NO. 26

Dear Parents

### HOME WINTER DERBY FIXTURES

Last Saturday we completed our final winter “home” derby fixtures when we hosted Rondebosch Boys’ High School and this weekend we play our final fixtures against Wynberg Boys’ High School, away. I wish to express my gratitude to two separate groups of our SACS community who serve the school at every home fixture and seldom get the recognition or appreciation that they so richly deserve.

Firstly, to Mrs Parker, the teaching staff involved and the SACS Men in the First Aid Society - I wish to place on record the countless hours of service at all practices and home matches, that go well beyond the normal call of duty.

Furthermore, they are often serving the sportsmen on bitterly cold, windy and wet days. Thank you, ladies and gentlemen, for your wonderful commitment.

Secondly, to the moms and dads of the Percy Montgomery Foundation who arrive at 6am on Saturday mornings in order to look after the dietary requirements of thousands of spectators - I also express a massive word of appreciation to all of you for your exceptional commitment.

Thank you, one and all.
