HEADMASTER'S NEWSLETTER NO. 27

Dear Parents

HEADMASTER'S INTRODUCTION

One of our recently departed Grade 11 King's College Exchange pupils wrote the following in describing his time spent at SACS. I think it's worth sharing with our community.

"The first thing that struck me was the atmosphere of the school. There was absolutely no hostility, only joy in each day the pupils spent at the school.

This followed through into the passion that these young gentlemen have for their school. This really shines through in their support for their sports teams. To hear students chanting "I love my school" is outstandingly appreciative and shows that their school is more to them than a place of education. The passion is unrivalled.

Yet within the classroom the students were also passionate. This, however, was not the most impressive part of lessons. That award goes to the staff. Their dedication to each child's development is special. I don't think I went to a single lesson without a lesson outside of the academic teaching.

So before I go I must ask this of you. Never let a single SACS boy take a single day here for granted. They are truly lucky to have this school, city and nation on their doorstep. Thank you for allowing me to be part of it. "I love this school"

Regards
Joss Chippendale"

These words from Joss warmed my heart. Whenever we face challenges which need to be addressed, I try to place them in the context of what is written above. I too consider myself fortunate and am extremely proud of being part of this institution.

Joss and Daneel Louw from King's, as well as Welsh guest, Callaghan Smith, have been fine ambassadors of their schools and families and will always be warmly welcomed here at SACS.

CROSS COUNTRY REPRESENTATIVES

Congratulations to Joshua Grieveson and Simon Bean on their selection for the Western Province Cross Country Team.

BASKETBALL REPRESENTATIVE

Joshua Miller was selected for the Cape Metro U15 Basketball Team who won the playoffs last weekend. Joshua is now representing the Western Cape Schools Basketball Squad who will be playing in the 2019 South African National Championships to be held in Johannesburg.

INTERACT NEWS AND UPDATES

Interact has had a constructive term with regards to fundraising and awareness. We hosted a very successful quiz evening with Springfield Convent that presented the opportunity for feedback on this year's Zanewonga Tour. The teachers team came second, with the Mazeppa Bay Warriors winning! The Zanewonga Outreach crew has hosted two shadow-shift evenings - one at Spur and one at Rocomamas. They would like to thank everyone that made the effort to attend and make both evenings special occasions. For the remainder of the term we are running a donation-drive via the Karri app for sanitary pads to be donated to Sithembile Mathiso and Zanewonga. For any queries please email Mr Stuart Barnard at barnards@sacollege.org.za.
