Applications for Grade 8 2024 MUST be made via the Western Cape Education Department (WCED) Admissions Portal for your application to be considered

[WCED Admissions Application Portal: Click Here](#)

We highly recommend the following before starting your application on the WCED Portal:

\*Obtain your son/ward's correct CEMIS number from your current Primary School. If the CEMIS number is incorrect your WCED application will not be linked to your son's current Primary School and will show either blank or an incorrect Primary School.

\*Have the following documents saved ready to upload to the WCED Admissions Portal as per directives from the WCED.

- Grade 6 End of Year Report
- Learners Unabridged Birth Certificate
- Immunisation Card
- Proof of Residence

and If applicable the following:

- Study Permit issued by Home Affairs (for foreign learners) or Proof of application or Police Affidavit thereof.

*\*If you pre-register your details on the WCED Admissions Portal before the 13 March 2023, you must log back in and complete an application in full, otherwise we will not receive your application to our school.*

*\*\*If you are using your mobile phone to process your application on the WCED Admissions Portal: CamScanner is a very useful App to take photos of your documents and easily convert them to PDF files for easy uploading and viewing.*

#### VOLUNTARY Information:

Should you wish to supply the school with any voluntary documentation, these may be delivered to the school in an envelope clearly labelled with the learner's full name.

These may be delivered to the school's admissions administrator UNTIL 16h00 on the 13 April 2023

Examples of Voluntary Documents:

- Motivational letter handwritten by the learner himself
- Motivational letter from the parents/guardians
- Copy of Grade 6 End of Year School Report
- Any recent and relevant motivational documentation you would like to include.
