## NEWSLETTER NO. 33

Dear Parents and our SACS Students

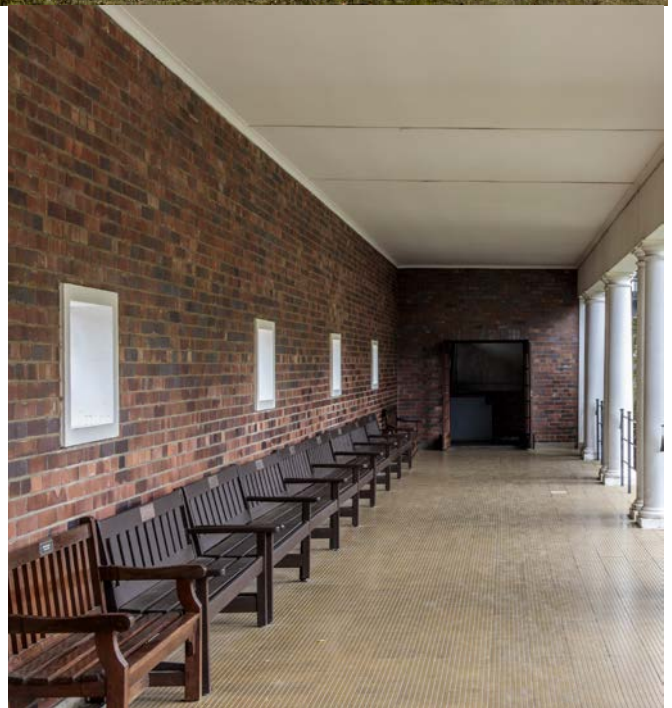

### HEADMASTER'S INTRODUCTION

Our School has taken on a different mood this week with our boys sitting for their end-of-year assessments. I wish you all well as you complete this very important task.

A young French student, Victor Bouvron, recently spent some time with us at SACS on an exchange. We received a message from his parents which read as follows:

“What have you guys done to our son? He is sad and says he wants to go back to South Africa. He loves the people, he wants to play rugby! He loves the school and the whole way of schooling. Love it!”

In our often frenetic lives, it is important to sit back occasionally and take stock of what we have. We have such a gem of a school, made up of the most fabulous people. Something I am so thankful for and will never take for granted.

U14C Cricket Team

We hosted Wynberg Boys' High School for our last cricket fixture of the year last weekend. At this fixture, we said farewell to four of our Grade 12 First Team cricketers, Raashied Conrad, Joshua Wyngaard (Captain), Oliver Whitehead and Fayyaad Davids. Oliver handed his framed U19 South African Cricket shirt to Mr Grant. This will be displayed in our Whiteford Pavilion. Our Senior Dr Melle Cup winner this week is Reza Salie (Grade 11) who scored a brilliant 91 not-out in the First Team's 26 run victory over Wynberg. The Junior Cup is awarded to our Triple Crown winning U14C Team, under the leadership of Manager Miss Heleen Auret and Coach Mr Mphokuhle Dube. The final Western Province trials take place this weekend and we look forward to hearing which of our boys will be selected.

Last week Friday our Music Department celebrated the end of yet another year with their End-of-Year Concert. Family and friends enjoyed a showcase of all the Department's ensembles. This year we had a special feature on our programme in the form of Langa High School, in collaboration with our Big Band and Vocal Ensemble. They performed a beautiful rendition of Weeping by Bright Blue. The concert was a perfect way to end the year and celebrate the Department's achievements for 2023. Thank you to everyone who supported the event.

Yours sincerely

*Brendan Grant*
